About This Game

Storyline

Because of a zombie epidemic you're the last human on earth and billions of years of god's time has been wasted. With you being the last human alive, God has come to help you survive on a desert island you've stranded yourself on. You can expand your land and build on it, but beware, zombies can smell you from the other side of the planet, so night by night the amount of zombies coming will increase.

Features

Given Godly powers, you can create your very own land to build on.
Fully night and day Eco system
Waves of zombies that increase night after night
